

Racks - Roller for Vinyl Rolls

“Chrome Plated” Wall Mount Material Rack

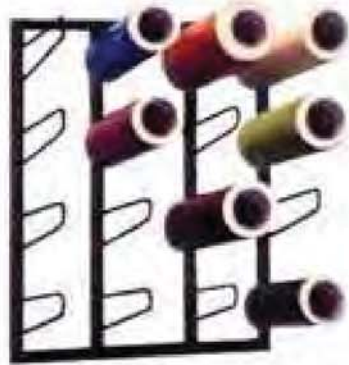

Heavy gauge wire constructed rack holds 16 rolls of 3 inch core diameter material without using valuable floor space.

This rack is durable enough to hold up to 16 rolls of 30 inch x 50 yard material with ease.

Proper storage of pressure sensitive materials dictate supporting rolls by the core to avoid adhesive activation.

Included are adjustable screw mounting clips, allowing alignment with studs in most walls.

Holds up to 30 inch x 50 yards material.

\$89.00 ea.

Portable Chrome Plated Floor Rack with handle

Made of heavy gauge wire and constructed to hold 16 rolls of 2 or 3 inch core diameter material up to 1,000 lbs.

Rack is durable enough to hold 72 inch wide material with ease. Proper storage of wide format materials dictate supporting rolls by the core to avoid damaging the special coating on the roll face.

The rack comes with 16 high impact protective plastic rings to prevent material damage while storing on rack.

Unit has 9 ball caster rollers to allow easy movement when fully loaded and also includes heavy gauge portable handle
