ANTI-GRAFFITI LAMINATES

Print Shield® Anti-Graffiti Wins Product of the Year at SGIA Expo

This product safeguards prints which may become vulnerable to graffiti by making them washable and resistant to a very large number of detergents and solvents. Print Shield consists of a high performance PCTFE film which protects images printed on UV or solvent inkjet printers from a wide variety of stains and chemicals such as paint, permanent marker, and acrylics

Key benefits include maintaining a long lasting professional look while being easy to clean with common economical cleaners. The PCTFE film measures only 1 mil and is completely stain, flame, and chemical resistant, as well as plasticizer and stabilizer free.

Print Shield offers the highest moisture barrier of any clear flexible film adding to the features that give it true protection against graffiti; unlike anything else in today's digital print and finishing market.

Applications include rigid indoor and outdoor displays, outdoor signage, wall murals, point of purchase/tradeshows displays, window graphics, and backlit signs. Designed to be used with inks that have long light-fastness, it is an extremely durable film with an estimated outdoor life of more than seven years (with non-immersed

CLEAR CALENDERED OVERLAMINATE

This 3 mil calendered overlamine film has been specifically developed for digital printing. Coated with a solvent based permanent pressure sensitive adhesive, it is particularly suitable for indoor, outdoor signs, exhibition displays, window graphics, POP displays, steel rule and thermal diecut. The moisture stable liner also provides excellent lay-flat qualities.

Available in clear gloss and matte clear and lustre clear. Up to 5 yr. outdoor durability under normal exposure conditions.

PRINT SHIELD BASE TEXTURED MATTE LAMINATING FILM

Print Shield® Base Textured Matte

Print Shield Base is a cost effective 3 mil vinyl over-laminate specifically designed to offer outstanding protection against dirt, moisture and abrasion. It's fine sand texture gives it a semi-matte finish that will reduce glare from direct lighting, making it an excellent choice for brightly lit trade show graphics and roll-up banner stand applications.

Print Shield Base Textured Matte is suitable for both indoor & outdoor applications.
