# ROLL-UP BANNER

The Roll-Up Banner is a cost effective system for store front signage systems. It is designed with a reinforced fitting for the no tilting or leaning.

The top panel profile clamps the media securely in place without the need for adhesive strips and the pole attaches to the top panel from behind with no unsightly hook hanging on top of the graphic.

The included carrying bag unzips lengthwise for greater ease and has extra padding over its entire length to ensure the display stays looking great.
