a 7.1 oz yd2, 100% polyester fabric with a specialty coating, is one of the most versatile fabrics on the market today. It is an excellent choice for both indoor and outdoor applications where color, wrinkle resistance and drape are important. VersaFabric provides sharp image reproduction and brilliant color finish for dramatic trade show pop-up and soft image displays, store signage, murals, POP displays, tent sides and theatrical back drops. Its NFPA 701 fire rating allows it to be used in public areas. This fabric is performance designed for use with most solvent, eco-solvent, latex and UV printers.

Pressure-Sensitive Laminating Films

“Seal Print Shield” Textured Matte Laminating Film
Print Shield Base Textured Matte is a cost effective, 3mil vinyl over-laminate specifically designed to offer outstanding protection against dirt, moisture and abrasion. Print Shield Base Textured Matte is suitable for both indoor & outdoor applications.
