FOR INTERIOR APPLICATION TO GLASS

Concept 261 6 mil Clear Perforated Window Film

60/40 perf. (40% open) - REMOVABLE ADHESIVE

Clear Perforated Window Film is a 6.0 mil clear flexible vinyl film with a low tack clear repositionable acrylic pressure sensitive adhesive on a layflat liner. This film is designed for use on a variety of solvent and eco-solvent inkjet printers with OEM inks. May also be printed using UV screen and UV Offset processes. The removable pressure sensitive adhesive is designed for excellent compatibility with vinyl films to give clean removal from glass. The layflat liner offers good dimensional stability in a variety of ambient conditions.

PRINTABLE/w DIGITAL ECOSOLVE, SOLVENT, LATEX, OFFSET & SCREEN PRINTABLE UV INKS. (NOT DIGITAL UV)

Interior mount requires the printer to reverse image one or more colors then provide a full coverage white coat behind the complete image area. Then an opaque black final coat on top of the white is necessary to provide visibility outwards through the window. **Recommended laminate is Concept 242- [click here for info.](#)**
