Hot-Flash AUTOTURN™
(Optional, Automatic head turning kit)

ADVANTAGES

- Solid-state or standard controls
- Protective safety screen
- High-density radiant heat panels
- Heavy-duty height adjustment
- Casters and levelers on base
- Easy pivot head

NEW OPTION

Hot-Flash AUTOTURN™ Head-turning Kit

This optional feature will allow for automatic curing and free up your time to print approximately 20% more garments per hour.

The A.W.T. Hot Flash™ is unmatched in value and performance. Solid-state or standard temperature controls provide the consistent heat settings required by today's wide variety of plastisol formulas. High density radiant heat panels assure even heat distribution for fast cure rates.

A protective safety screen prevents accidental contact with the heat panels. Other quality features include a heavy duty height adjustment, an easy pivot head and a solid base designed for extra stability.

Optional Features
